~ **MENNONITE DISASTER SERVICE (MDS)** currently need volunteers who have experience in home construction to be project coordinators, especially in Newfoundland & Labrador. This an ideal opportunity for retired contractors that would enjoy using their skills and experience to help someone that has lost everything. DS has an immediate need for a qualified person to coordinate a project in Westport NL where a single father lost his home in a fire in 2017. Travel and accommodations will be provided. If you have home construction experience and would like to help others please call or text me at 709-424-9950, or leave a comment below.
